## Advisory Council

**Our mission is to assist older adults as they live, age, and grow.**  
Aging adults and adults with disabilities need dedicated advocates to ensure they're getting the services they need to thrive.

As an Advisory Council member for The Senior Alliance, you will have the opportunity to deliver direct insight on our programs and help us continue to reach aging adults and adults with disabilities in our community.

The Advisory Council is composed of a minimum fifteen members who are age 60 or older, service providers, health care workers, social services, representatives of older adults, veterans, educators, elected officials, and/or the general public.

The Council's purpose is to advise the Board of Directors and/or staff on matters related to aging adults and adults with disabilities, including community perspectives on activities and issues related to the agency.

Meetings are 7 times per year for 90 minutes, and the term of service is one year.
