## **NOTICE: Regional Survey: High Speed Internet**

The leadership of Macomb, Oakland and Wayne Counties have joined together to plan and conduct a regional survey to identify where high-speed internet is available, where gaps exist, and what barriers prevent residents from accessing broadband. The three counties have partnered with the nonprofit Michigan Moonshot to create a 5-minute broadband survey to gather this information. Please take the survey at the link below and share the link with your neighbors in the tri-county area.

[www.MichiganMoonshot.org/Tri-County-Broadband](http://www.MichiganMoonshot.org/Tri-County-Broadband)

### **Take the Survey**

Residents can take the survey in many ways:

- [Online survey](#) for homes/businesses with installed internet access
- [Online survey](#) for homes/businesses without internet access (can be taken on a cell phone browser)
- SMS survey for residents that have a flip phone or other non-smart phone can be initiated by texting @MOON to 1-855-613-1746
- Residents can call 313-625-0029 to request a paper survey be sent to the home.

### **Resources**

Additional information about the survey is available at [www.MichiganMoonshot.org/Tri-County-Broadband](http://www.MichiganMoonshot.org/Tri-County-Broadband) including:

- Frequently Asked Questions
- A recorded webinar introducing the survey, with remarks from County leadership
- Promotional materials that can be used by any organization to help promote the survey initiative
- Additional information about our survey partner, Merit Network and the Michigan Moonshot

### **Outcomes**

The goal of this survey initiative is to gain a clearer picture of connectivity in the tri-county area and support planning and possible broadband expansion efforts. The data collected in this survey will help us seek to expand the locations in the tri-county area that are eligible for federal (and possibly, state) grant funding.

If you have questions or concerns about the Tri-County Broadband Survey, contact our survey answer line at 313-625-0029.
