

KEEPING YOU IN YOUR HOMES

Home Repair Resources

State Emergency Relief assists with home repairs to correct unsafe conditions and restore essential services. Eligible home repairs may include repair or replacement of a non-functioning furnace, hot water heaters or septic systems. Visit your local MDHHS office for more information on how to apply: www.michigan.gov/mdhhs/inside-mdhhs/county-offices.

Michigan Homeowner Assistance Fund

Michigan Homeowner Assistance Fund is a resource for homeowners in the State of Michigan in need of assistance with paying delinquent mortgage balances, avoiding foreclosure, or experiencing a financial hardship. Residents can receive up to \$25,000 in homeowner and property tax assistance.
